Consistent-The struggle for existence
Exasperated-By the outcome of life
We burn out!
Disabled-Disarmed by the petty differences that divide us!

Divergence, left powerless, divided against ourselves
only we can hinder this callousness
that permeates our hearts and kills what's left
underneath this mask of cynicism that we wear

and kills what's left-kills what's left-of this bleeding
heart
of this shattered dream-of this shattered dream

and kills what's left-of this bleeding heart
and kills what's left-of this shattered dream-of this
shattered dream
and kills what's left-of this bleeding heart
and kills what's left-of this shattered dream-of this
shattered dream

Only we can hinder this callousness within...
