Hell
Venom
Don't cry, baby don't cry
Don't shed any tears for me

Yes I'm evil
So fucking evil
He won't let my head out of me

Don't cry baby
Don't cry
Don't shed any tears for me
Baby don't shed any tears when you see me bleeding
From the scars in my face

Yes I'm evil
So fucking evil
He won't let my head out of me

Yeah, I'm evil
So fucking evil
He won't let my head out of me

Watch me please

(x2) Full moon on a
Blank sky
We don't have a lack of the whole finale (x2)

Don't cry, baby don't cry
Don't shed any tears for me

Yes I'm evil
So fucking evil
He won't let my head out of me

I'm evil
So fucking evil
He won't let my head out of me

Watch me please (x2)

(x2) Full moon on a
Blank sky
We don't have a lack of the whole finale (x2)
