we spend eight hours on the road
just to put up a shitty show
few appreciate it
we play our set and go...
to where ever it is
that we're gonna stay tonight
and now that the tension is gone
we laugh at our mistakes
let go of the breaks
have a few bears and relax
we laugh at our mistakes
let go of the breaks
have a few bears with our friends
we bring some friends
and our gear in the van
that's why were always too late
Lucifer doesn't go too fast
and we're not always
feeling so great
5 cups of coffee, 1 or 2 beers
then I'm in shape
for an intense shit-break
before I can go up on stage
coffee drinking, always stinking
still brings out the best in me
the smelly farts, the crapy jokes
the stomacheases,
headaches the laughs
and the...
