

Satanic Surfers **"Pecan Pie"**

Visit "[Pecan Pie](#)" on MotoLyrics.com

oh what i would give for a good cup of coffee
and some pecan pie at that cafe in Guelph
i know a really good record store along the way
but i'm keeping that to myself

oh i've been home for too long
i'm fed-up with myself and my daily routine
and though i know i miss you
it's gonna be nice
to get back on the road again

we're going to new places meeting new people
familiar faces in the cities we have played before
take a detour to the record store

it's going to be nice
to get myself some pecan pie
