Surrounded by people  
who make your decisions  
you're living your life  
like a puppet on a string  
Don't raise your voice  
do not oppose  
They spit in your face  
but you don't say a thing  
Soon every thought in your mind  
every dream  
every feeling that you have  
will be gone forever  
if you don't cut the strings  
and start by living your life  
for yourself

You must  
fight back  
don't live your life  
on your knees  
Stand up  
fight back  
don't live your life  
on your knees  
fight back  
fight back  
fight back  
tonight

surrounded by people  
who are running your life  
they're always telling you what to do  
You don't say a word  
you do not oppose  
just let them take everything away from you  
Soon every thought in your mind  
every dream  
every feeling that you have  
will be gone forever if you do not break free  
and start by living your life  
for yourself
