FREESTYLE-

Get it right, ya bitch is just a waste of my time throw ya
brain away, It's a waste of ya mind think you can spit,
I'm spittin ya spine resporator won't be zig zags it'll be
be a flat line i'm tellin you what to do when i step in this
place the doctor's can't help they got to leave the
bullets stuck in ya face.

Illest spit cause see i keep niffin up snot cause if talk
then ya moms will find ya dead in a box open casket
look i got the gadget that transform right in ya face
and melt ya skin like plastic ya bitch my gun will make
ya chest burn smoothly when i draw it out it'll look like a
western movie try me now, I bet i can make you wet the
bed shot gun with the shells that cover ya egg head
feds is lookin for me , But i'm a little to fast rob ya set
with a gage and a president mask look, i might hit you,
ya brain tissue wit a sword as deadly as army
missles.....

Now what bitch
