Thanks, I'm fine
But I've nothing to give,
But I just have to leave, enough
I would rather live on a train
And now, I'm dying
Cause I don't wanna be here
I don't wanna be seen, enough
I would rather live on a train

Yes I'd lie, if I tell you that I'm right
Oh baby I lie, if I tell you that I'm right
Oh Oh

Thanks, I'm down
Cause I've nothing to lose
I'm alone in a cruise, enough
I would rather live on a train
And now, I'm crying
Cause I don't wanna be here
I don't wanna be seen, enough
I would rather live on a train

Yes I'd lie, if I tell you that I'm right
Oh baby I lie, if I tell you that I'm right (x2)
Ooooh Ooooh

Des-ti-na-tion over all these train
Des-ti-na-tion over all the train you've got nothing to
lose, except you

Yes I'd lie, if I tell you that I'm right
Oh baby I'd lie, if I tell you that I'm right (x2)
Ooooh Ooooh
