Wanna keep me cool and face your cleverness
And your powerful engine
I see the crowd exulting for me tonight over and
Over...
I just wanna be the leader
Ready to win you!
Forever at full speed wanna step on the gas tonight
It's right

I got the fire of the Grand Prix
Grippin' my steering wheel so tight
It's gonna be a lucky Grand Prix
Ready to cross the line in the end

I got the fire of the Grand Prix
Grippin' my steering wheel so tight
It's gonna be a lucky Grand Prix
Ready to cross the line in the end

I just wanna be the champion
Tonight a race it's gonna be started
Get ready now! A roaring success for me
I really like it!

I just wanna be the leader
Ready to win you!
Forever at full speed wanna step on the gas tonight
It's right

I got the fire of the Grand Prix
Grippin' my steering wheel so tight
It's gonna be a lucky Grand Prix
Ready to cross the line in the end

I got the fire of the Grand Prix
Grippin' my steering wheel so tight
It's gonna be a lucky Grand Prix
Ready to cross the line in the end

I got the fire of the Grand Prix
Grand Prix

Ready to cross the line in the end

I got the fire of the Grand Prix
Grippin' my steering wheel so tight
It's gonna be a lucky Grand Prix
Ready to cross the line in the end
