[Rah Digga]

Uhh, uh-huh uh-huh

Uhh, yeah, uh-huh uh-huh

Flipmode y'all, all my bitches

Uh-huh uh-huh, check

For all my real live sisters, the ill vibe sisters

Slave to the dick, yo I feel my sisters

Nuttin like a daddy with a phattie in the front

Puttin shorties on they ass like a Sugar Shane punch

Now, talk to me I say, you know I'm sweatin you

Honey brown comin down and I'm flexible

Gimme that, all-a that, whatchu workin wit?

If it ain't fully licked, you jerk your own shit

[Meka]

And I will make this thing legit, niggaz still ain't shit

And that's why I'm proud to be a bitch

But I will never split

Cause my diet's strictly dick

Nigga you don't even trick, never suck my tits

But damn I just love how you eat clit

Even if I have one wish

Niggaz still be hittin this, cause

[Chorus 2X: Meka]

I can't seem, to get enough of you

No matter how I try, I keep running back to you

I just love, the freaky things you do

Cause I can't seem, to get enough of you

[Meka]

So tell me what you're gonna do, are ya comin
through?

Or would you rather hang out with your crew?

Niggaz wanna smoke with you

Maybe have a drink or two

Baby can we have a day, by the lake?

Conversate?Masticate?

Fornicate?Masterbate?

Comtemplate?Hibernate?

[Chorus] w/ ad libs by Meka

[Spliff Star]

Yeah, uhh

Yeah yeah yeah

Oh you think our sex good?Love the way I work this
wood?

Love the way I hold you down and go about eight
rounds?

Up and down between your thighs all night 'til sunrise?

Girl I give you how you want it, hard and stiff in ya
stomach

Yo my love muscle make your knees buckle

Rough sex never subtle, my game tight just like my knuckle

Yo I make these broads drop they drawers, give me head of course

Turn jockey, ride my cocky like a racing horse

Deep in they hot box, touch all they hot spots

Orgasm, muscle spasm, yeah and it don't stop

A love a big booty with a tight cootie

Smellin body shop fresh, ready for some hot sex

Drop your thong now, let's get it on

What you waitin on baby? Yo I came to put it on

I make it hot like a sauna, put you on a camcorder

Make you a star and call you somebody's granddaughter

[Chorus] w/ ad libs by Meka
