Everytime I move towards you
I feel like a rage slip away
I maybe a soldier of fortune
But tonight I play it save
You exist in my imagination
In some perfect place

Wouldn't I, wouldn't I, couldn't I, couldn't I
Pay for my mistakes
Shouldn't I, shouldn't I, couldn't I, shouldn't I
Wait

It won't happen today
It won't happen tomorrow
And the path that you take
Won't be the one that I follow
' Cause you're untouchable (Ooh, ooh) (5x)

Sometimes I feel like I'm falling
But I never let you know
If I never hold you baby
Then I never have to let you go
I don't really need to say I'm sorry
'Cause it's a promise I won't break

Wouldn't I, wouldn't I, wouldn't I, wouldn't I
Pay for my mistakes
Shouldn't I, couldn't I, shouldn't I, shouldn't I
Wait

It won't happen today
It won't happen tomorrow
And I'm going insane
With all the words that I swallow
' Cause you're untouchable (Ooh, ooh) (4x)

Ooh I
Oh I want you so much, yeah
When I reach, you talk the talk
That's why I must rephrase

It won't happen today
It won't happen tomorrow
And I'm going insane
With all the words that I swallow
' Cause you're untouchable (Ooh, ooh) (3x)
