(LL)

Talkin' 'bout makin' love

(FACE)

I will love you any way baby any way  
and every way I can  
'Cause I'm that kind of man  
I will give you everything baby  
give you more that any girl can stand

Check it  
Word is bond  
Born God  
Check it out  
Word up son  
What's the deal baby

(FACE)

I will love you any way baby any way  
and every way I can  
'Cause I'm that kind of man, yeah  
I will give you everything baby  
give you more that any girl can stand  
I'm gonna love you baby, baby, baby, baby

(LL)

I'm talking about making love in the shower  
At least an hour  
And let you dangle in my arms  
'Cause love is power  
Can you feel it the sky's the limit  
Once you reveal it  
Your heart was wounded  
God sent me to heal it  
On a mission ain't no stress love  
Touch you with precision  
Just undress love  
I know the right position  
Come on trust me girl  
Throw this rock up on your hand  
I'll give you the world

Hey yo Face  
On the real  
Was the honey looking laced

Ooh baby baby baby

Chorus:  
This is for the lover in you  
This ring means I'll always be true  
This is how we'll start love anew  
This time it's gonna last forever

(FACE)  
I will love you all the way baby, girl that means  
this love will never end  
I will take you anywhere baby, just say when  
and girl I'll take you there  
I'm gonna take you baby, baby, baby, baby

(LL)  
We're going from Tahiti to France  
To Italy in one night  
Drop to Bentley coupe parked in the spotlight  
And you can drive it laced in all white  
I'm wearing triple black  
Our gear is top flight  
Trips to Venice  
The man of steel when I'm in this  
A match made in heaven  
When we blend this  
Lovers everlasting  
In other words endless  
To love any other man  
Would be senseless  
Hey yo Face  
What's up, on the real  
Was the honey looking laced

Chorus

Ladies and gentleman Howard Hewett

Bridge (HEWETT)  
See I never met a girl no, no  
Who satisfied my mental and physical thing  
When I lay me down to sleep and I rest assured  
with the thought that you are right  
Right next to me

Chorus

You know what I'm saying baby  
Word is bond  
I'm feelin' it  
No doubt about it you know what I mean  
Uh looking' hot girl  
Yeah I'm feelin' you boo  
You know what I'm sayin' I swear  
There's a lot of things I want to do to you  
But first you gotta take this ring  
Drop it

So much love between us  
I'll be the one to come running  
be the one to come running  
I'll come running home to you now  
home to you my baby  
With a woman like you  
I don't need to play around  
Oh, you're more than just one woman  
You blowin' my mind with the love  
that you givin'  
I wanna hear you say it girl just say it  
Girl every day

Chorus
