I saw your face on a Sunday  
Ready to take the fall  
You never believed at all  
You never believed at all  
I closed my eyes on a Monday  
Pressed it against the wall  
You never believed at all  
You never believed at all

Shut me down!  
and I'll fall asleep again (down)  
The place I keep you in (down)  
'cause in my dreams I can see you  
You're shutting eyes again (down)  
and I'll fall asleep again (down)  
The place I keep you in (down)  
'cause in my dreams I can see you  
You're shutting eyes again.

I heard your voice on a Sunday  
Echoing down the hall  
I never believed at all  
I never believed at all  
You woke me up on a Monday  
Racing the sound of the fall  
I never believed at all  
I never believed at all

Shut me down!  
and I'll fall asleep again (down)  
The place I keep you in (down)  
'cause in my dreams I can see you  
You're shutting eyes again (down)  
and I'll fall asleep again (down)  
The place I keep you in (down)  
'cause in my dreams I can see you  
You're shutting eyes again.

And I see through you!  
Through you!

Shut me down!  
and I'll fall asleep again (down)  
The place I keep you in (down)  
'cause in my dreams I can see you  
You're shutting eyes again (down)  
and I'll fall asleep again (down)  
The place I keep you in (down)  
'cause in my dreams I can see you  
You're shutting eyes again.

(I never believed at all)  
(I never believed at all)  
(I never believed at all)
