Mother north - how can they sleep while their beds are  
burning ?  
Mother north - your fields are bleeding  
Memories...The Invisible Wounds  
pictures that enshrine your throne (gone?)  
A Future benighted still they are blind  
Pigeonhearted beings of flesh and blood  
keeps closing their eyes for the dangers that  
threat...ourselves and our  
nature  
And that is why  
they all enrage me  
Sometimes in the dead of the night I mesmerize my  
soul  
Sights and visions prophecies and horror  
they all come in one  
Mother north - united we stand (together we walk)  
Phantom north - I'll be there when you hunt them down
