(These lyrics concern the exploration of the tenth
Aethyr (extraterrestrial dimensions beyond finity)
Called ZAX, where resides the powerful demon
Choronzon,
Who is the final obstacle between the magician and the
Illumination. The Great Secret of Choronzon is that he
Doesn't fight with the magician, but causes the
Magician fights himself)

I Invoke you... Oh First and Deadliest of All the
Powers of Evil
Lord of Dispersion
You, Master of the Form
You, Powerful Dragon of Death

I am between the Life and Death
Zazaz, Zazas, Nasatanada Zazas
There is no being in Outermost Abyss
I will penetrate fearless in the qliphothic depths

I am a True Worshiper of the Abyss
I order you to unveil your secrets before me
Your mysteries are hidden in Daath
I hear your Kakophonic Whispers

My memories are approaching dark epochs
Each one of my thoughts is in communion with the
abyss
I got poison on my call
My light destroy your darkness

(Guitar Solo: Fernando)
(Guitar Solo: Rodolfo)
(Bass Solo: Alejandro)

I will force you... With Great and Terrible Names
You, Hidden Demon in ZAX
Open for Me your Cold Reign of Dispersion
My Inferior Nature is Under My Dominion
