Jesus, I feel You near me  
Your hands, giving life to my body  
Your spirit, healing life to to me  
Holding my heart in sweet security

God, I need Your grace  
Let Your spirit rescue me  
God, I need Your Love  
Let Your grace shine through me

Jesus, You fill the space in me  
Sealing these dreams in shapes of purity  
Freeing my heart to deep eternity

God, I need Your grace  
Let Your spirit rescue me  
God, I need Your love  
Let Your grace shine through me

God, I seek Your face  
Let Your spirit rescue me  
God, I need Your love  
Let Your grace shine through me  
God, I need Your grace  
Let Your spirit rescue me  
God, I need Your love  
Let Your grace shine through me  
Shine through me  
Jesus
