Stand and I wait
And I see
See you move
Move around me
Nothing is as
It would seem to be
Stand and I pray
And I feel
Feel You move
Move around me
Is it all
Coming clear to me

CHORUS

How long can we wait, will we wait for You to come?
How long can we wait, will we wait for You to come?
How long can we wait, will we wait for You to come?

And lay ourselves down before You
Stand and I wait
And I see
See You move
Move around me
Nothing is as
It would seem to be
Stand and I pray
And I feel
Feel You move
Move around me
Is it all
Coming clear to me

CHORUS

I will wait for You
I will wait for You

CHORUS
