I will never be the same.
Now that I have seen the cross.
And how you took upon yourself,
for the suffer of the ???????
And I may never understand,
just why you suffered in my place.
Jesus, you knew no sins.
how you were ??????????
And oh how fears, the father's anger.
And though you were pierced, all the pain could not
compare.
So dark was the ????? when all heaven turned it's face
away,
turned it's face away from you.
But how sweet is your mercy.
As it finds it's way to me.

I will never be the same.
Now that i have seen the cross.
How you took upon yourself,
Foolness of the wrath of God.
And I may never understand.
Just what you've suffered in my place.
Jesus you knew no sins,
how you were ??????
And oh how it fills the father's anger.
And though you were pierced, all the pain could not
compare.
So dark was the ????? when all heaven turned it's face
away.
And how sweet is your mercy, how sweet is your mercy.
As it finds it's way to me.
