"Lay It Down"

Heads up a ring around the sun
It burdens me, you know it weighs a ton, yeah
Makes me want to run

Tears running rings around my eyes
You can see I'm not the only one
Weighed down by a ton

--chorus--

Lay it down, lay it down
Lay it down, lay it down
Lay it down, lay it down
At his feet, lay your burden down(X2)--

Stand back the fire destroys the sky
No longer need to be on the run from the sun
Hold on to what he's done

Hands up, tear the tie that binds
God break the masks that make me blind
Lay down all I find

----chorus----

I am heavy, I am breathless
I am drenched with tears
But I am surrounded by your fire

I am heavy, I am breathless
I am drenched with tears
But I will, I will
Lay it down!
----chorus----
