I said a prayer for you tonight  
To be strong for the weak in heart  
I'll be the arms that hold you  
I will give the strength that you need

I'll be your light  
I'll be your love  
Together we will be one

I'll be your eyes when you feel blind  
Stand on truth where you may feel doubt  
I'll be the arms that hold you  
I will give the strength that you need

I'll be your light  
I'll be your love  
Together we will be one

Together we'll be  
Together we'll be strong  
Together we'll be one
