Could there be this much darkness  
In one night so long  
Could there be enough love  
To combat this night stretching on  
I will dig my trench in hope  
It won't be my grave  
My spirit is more than my  
Flesh is brave

Tonight, Tonight

I will light my candle  
And burn it bright in an endless night  
I can handle, I can  
Burn it bright in an endless night

Come join me, brothers, sisters  
Bring your children too  
We will stand together  
Our faith will bring us thru  
If this is the beginning  
Of the end of time  
How much longer have we  
Got to sing this rhyme

Tonight, Tonight

I will light my candle  
And burn it bright in an endless night  
I can handle, I can  
Burn it bright in and endless night

I see the light of a new day  
I hold my breath and I pray  
That we'll be stronger, that we'll be stronger  
I'll reach out and take your hand  
Our love will give us strength to stand  
And we'll be wiser, we'll be wiser

Tonight, Tonight

I will light my candle  
And burn it bright in an endless night  
I can handle, I can  
Burn it bright in an endless night
