"Before The Next Teardrop Falls"

If he brings you happiness
Then I wish you both the best
Is your happiness that matters most of all
But if he ever breaks your heart
If a teardrop ever starts
I'll be there before the next teardrop falls

Si te quiere de verdad y te da felicidad
Te deseo lo mas bueno pa' los dos
Pero si te hace llorar a mi me puedes hablar
Y estare contigo cuando triste estes

I'll be there anytime you need me by your side
To dry away every teardrop that you cry
And if he ever leaves you blue just remember I love you
And I'll be there before the next teardrop falls
