I know that you've woken up and found yourself within
a world of questions,
Where the answers come and go.
And I know you don't want and sit around and hear no
asinine suggestions
When the truth just can't be told.

But if I may, I got a thing or two to say.
Although the answers are not clear,
There's not a thing that you should fear,
Because the answers to it all whether things rise or
when they fall,
You'll find the truth remains the same and that truth is
that God is change.

Hey you!
You can talk about talk about talk about it,
But you can't control your destiny.
I think that God is testing me.
Hey you! You can talk about it talk about it talk about it,
But you can't control your destiny.
You just might fail successfully.

I'm alone.
And I thought God created you for me.
How could it be that it can't be?
So alone.
And I don't know what to do with myself.
And I don't know what I'm gonna do.

Hey you!
I thought you were my destiny.
Girl, I thought were meant to be.
Can't I choose what's best for me?

Hey you!
I thought you were my destiny.
Girl, I thought were meant to be.
Don't I know what's best for me?

Hey you!

You can talk about talk about talk about it,
But you can't control your destiny.
I think that God is testing me.

Hey you!
You can talk about it talk about it talk about it,
But you can't control your destiny.
You just might fail successfully.
You can't control your destiny.
You can't control your destiny.
You can't control.
