Lily is a blinding light  
Devouring the dark  
Lily is a 5 alarm fire  
That rages inside my heart

And all I want to do  
Is tell her that my love is true  
To tell her that my love is true

Lily is a big brass band  
Who fills the air with song  
Lily is a destination  
And she's where my arms belong

Cause whenever she is there with me  
I know where I'm supposed to be  
I know where I want to be

And I just flip  
When I kiss her lips  
And all my senses reel

Lily's the Pacific Ocean  
And I'm standing at her shores  
Lily she is never ending  
There's so much left in store

So all I want to do  
Is tell her that my love is true  
To tell her that my love is true
