\*Dum Dam Da Dum...

That's the way you got to go

So put your hands in the air when I say so

As the rhythm goes tom, tom, tom, ta, tom, tim

I got to go, I got to step, I got to swing

So come along, come along we got it going on

No we never stop,

we never stop until the break of dawn

And by the way I got to say

I never do a job unless I know

I'm gonna get paid

That's why I stick to the cash flow

So when I got to go I always go with a hooo!!!

So coem and get some,

come and come and get some

But don't try to bite

because you know that I got a gun

So don't you ever try to fool me

'Cause if you try to fool me

get away is not that easy

But anyway I got to step on it

Got to, got to, go, got to, get, got to go for it

Like a bird in a tree fly easy

Catch the rhythm is the cause of the Melodie

\*Repeat

Now bring that beat back, bring that beat back

The tom, tidi, tidi, tom Sidelake Drum pack

Left, right, left, right stereo

So come on everybody get ready

'cause here we go

Straight into yes, the Melodie

Come, come and get some,

come, come follow me

Step by step by, move by move

And then you just dance to the groove

Like 1, 2, 3, yes in the palace to be

Ready for action, down with the SLP

And new school leader of a dope crowd

Stand tall and proud

And if you like it, scream loud

Yaeeee!!! That' sthe way it comes

Me on the microphone,

Statikk on the funky drums

With my cause and my question

Try to catch the rhythm so give me a suggestion

\*Repeat

Feel the groove and let the rhythm flow
