Its magic
Thats music
Its gonna get you, get you, wow wow
Lets get in the groove
On the dance floor
Do it right, yeah, do it wrong, just show it

Were dreaming
Hearts are beating
Gonna touch you, kiss you
Let the good times roll
In the magic square

Enjoy the game
Dont be lame
Enjoy the game
Lets get crazy
Dont be lazy
Enjoy the game
Dont be lame
Enjoy the game
Hes a flirt
Shes a tease
Every one magician
In the rhythm of the music
