Hanging on the edge with no safety net
Barely holding on with no place to land
Trying to get a grip with my two hands
It feels like I'm suspended in air

I can barely see the road
And I almost lost my hope

I'm taking flight
To the sky
Give me wings
And watch me try
I'm ready now
It's my turn
Here I am

Just tell me that the wait is over
Tell me that the wait is over
Tell me that the wait is over

Take me as I am
All heart no pretend
Some tears, and some pain
No fear, and no regret
Ohhh

Sometimes it seems impossible
And it feels I've lost all hope

I'm taking flight
To the sky
Give me wings
And watch me try
I'm ready now
It's my turn
Here I am

Just tell me that the wait is over
Tell me that the wait is over
Tell me that the wait is over
Tell me that the wait is over

I can barely see the road
And I almost lost my hope

I'm taking flight
To the sky
Give me wings
And watch me try
I'm ready now
It's my turn
Here I am

Just tell me that the wait is over
Tell me that the wait is over
Tell me that the wait is over
Tell me that the wait is over
