He can do whatever he wants  
He can see whatever he wants  
He can do whatever he needs  
Whatever he hates  
Whatever he dreams...  
Actually he's been in a Dream

He can hide in the halo  
He can run into the terror  
He can fly in to the jello  
"I can do what I want!  
I can die when I wish!"

He can fit in to the pocket  
He can set a bomb in a coffin  
He can live down in the sea  
"I can fly when I want!  
I can die when I wish to  
Get my foot prints back to see the place  
Where I'm standing still  
Where I hate, it's so sad dying world,  
So I'm fine in here!"

He can jump in to the pillow  
He can break in to the PD  
He can gulp the DU  
"I can play when I want!  
I can die when I wish!"

So he cries to the white moon  
To the inside to see the cell-scape...  
Now he's floating in blood

He can set a bug on line  
He can make a pig fly  
He can shoot the spy dog  
"I can lie when I feel!  
I can cry when I feel!"

Dream in vain - he's hiding in the halo  
Dream in vain - he's hiding in the terror

Dream in vain - he's hiding in the shelter  
What else he got?  
But now it's time out!

To the inside to see the cell-scape...  
What your name? Wake up!  
What your fate? Wake up!  
What your name? Wake up!  
What your aim? Wake up!  
But he's too greedy to face up to

He can hide in the halo  
He can run into the terror  
He can fly in to the jello  
"I can do what I want!  
I can die when I wish!"

Dream in vain - he's hiding in the halo  
Dream in vain - he's hiding in the terror  
Dream in vain - he's hiding in the shelter

"I can die when I wish!"  
And he gets a pin to stab his eyes  
Again and again, and he smiles  
Now he's Back!
