When I'm walking like a fool
Full of memories...
I'm stepping on a dream
Destiny...

Tell me how looks on to you
Turn of fortune wheels?
I really wanna see...

While I'm looking for your code
Where I saw your eyes...
I'm dreaming on a screen
Fantasy...

Ooh, tell me what to do?
Tell me what to do?
Tell me what to do?

A love again...
(Tonight)
Lovely far away...
(So far away)
A love again...
(Tonight, tonight, tonight)

I will falling deep in love
Fairy-tale to play...
I'm searching for you too
Look at me...

Ooh, tell me what to do?
Tell me what to do?
Tell me what to do?

A love again...
(Tonight)
Lovely far away...
(So far away)
A love again...
(Tonight, tonight, tonight)
