I met a catholic woman,
She took my heart away
She said I had it coming to me
But I wanted it that way
I think that any love is good lovin'
So I took what I could get
She looked at me with big brown eyes, and said

You ain't seen nothing yet
Baby you just ain't seen nothing yet
Here's something that your never going to forget
Baby you just ain't seen nothing yet

And now I'm feeling better
Cuz I found out for sure
She took me to her doctor
And he told me of a cure
He said that any love is good love
So I took what I could get
Yes I took what I could get
And then she looked at me with those big brown eyes
and said

You ain't seen nothing yet
Baby you just ain't seen nothing yet
Here's something your never going to forget
Baby you just ain't seen nothing yet

Any love is good lovin'
So I took what I could get
Yes I took what I could get
And then she looked at me with those big brown eyes
and said

You ain't seen nothing yet
Baby you just ain't seen nothing yet
Here's something that your never going to forget
Baby you just ain't seen nothing yet.
