"Break Away"

Do you remember the innocence around us?
The memories formed between us? Before the sin.
(Before the sin)
You should remember, that you've been dishonest
And you will regret this. I won't forget. (I won't forget, I
won't forget)

Yet I won't be the one to break, won't be the one to save
you,
From all of your mistakes and so I break away
Sick of it, all of this. You're a hypocrite. Stand up tell me
face to face.
My repent is all you get, your consequence, loneliness

Now you remember, fate brought us together.
Lately it's been harder to fight and forgive.
And I remember watching you.
But you're just blind to see me there.
Your solitude, is your biggest nightmare.

I won't be the one to break, won't be the one to save
you,
From all of your mistakes and so I break away
Sick of it, all of this. You're a hypocrite. Stand up tell me
face to face.
My repent is all you get, your consequence, loneliness

Yea
Yea

I won't be the one to break, won't be the one to save
you,
From all of your mistakes and so I break away

Yet I won't be the one to break, won't be the one to save
you,
From all of your mistakes and so I break away

Yet I won't be the one to break, won't be the one to save
you,
From all of your mistakes and so I break away

Sick of it, all of this. You're a hypocrite. Stand up tell me
face to face.

My repent is all you get, your consequence, loneliness
