I feel your presence next to me, I can't sleep and panic
while awake.

Each moment breaks my heart in two. Please take my
soul when you're awake.

I can't take much more of this pain!

This heartache
Tears me apart
Your not here with me
It's so hard to breathe.

Flawless
Perfect and blessed
You were everything
That's meant for me.

You're speechless, breathless but I don't care. Since
we're together again.
We won't be stopped, they don't understand. Even if
you can't breathe.

This heartache
Tears me apart
Your not here with me
It's so hard to breathe.

Flawless
Perfect and blessed
You were everything
That's meant for me.

I can't take much more of this pain!

This heartache
Tears me apart
Your not here with me
It's so hard to breathe.

Flawless
Perfect and blessed

You were everything (I can't take much)
That's meant for me. (More of this pain)

You were everything (I can't take much)
That's meant for me. (More of this pain)

You were everything (I can't take much)
That's meant for me. (More of this pain)

You were everything (I can't take much)
That's meant for me. (More of this pain)
