#### Verse 1

We're breaking in to each other's lives  
Stealin all we can  
Holdin on to this perfect lie  
Cause nothin else matters  
Our innocence is all pretend  
So let's just bend the truth

#### (Chorus)

In a world of crime  
Of secrets and disguise  
Don't you ever set me free  
I'm getting arrested by your eyes  
Locked up in tonight  
Your the one that holds the key  
To this criminal love  
This criminal love

#### Verse 2

It feels so good, it should be wrong  
I can't defend myself  
I should have known this all along  
I surrender but I'll never tell  
My innocence is all pretend  
So let's just bend the truth

#### (Chorus)

In a world of crime  
Of secrets and disguise  
Don't you ever set me free  
I'm getting arrested by your eyes  
Locked up in tonight  
Your the one that holds the key  
To this criminal love  
This criminal love

I'm guilty of everything  
So let my heart take the blame  
Let me do the time, if my time's with you

Your my first degree, your my felony of love  
Criminal love

(Chorus)  
In a world of crime  
Of secrets and disguise  
Don't you ever set me free  
I'm getting arrested by your eyes  
Locked up in tonight  
Your the one that holds the key  
To this criminal love  
This criminal love
