"No Escape"

Baby, I've been trying to forget you
For so long
But I find myself thinking of you
And I know that's wrong

Because you treated me bad
And left me for dead
But still I can't get you
Out of my head

(CHORUS)
No escape, no escape from your love
No escape, no escape from your touch
No escape, no escape from your love
I just can't get enough....of your love

Baby, I've been trying so hard now
To move on
But I just can't get rid of the thought of you
And I know that's wrong

Because you treated me wrong
And left me alone
But it's too late now
The seeds of love are sown

(CHORUS)

You treated me bad
And left me for dead
But still I can't get you
Out of my head

(CHORUS) x2
