Reading between the lines I find
You don't mean what you say
You cheated and you lied
And how you made me hurt inside

You turned my days into darkest nights
And re-arranged my dreams
You're just not what you seem
Black-hearted lady

I am from the land so you won't understand my grief
I have lived in vain belief
In a world of poisoned words
And everywhere I look I find no answer to my prayer

You're just not there
Black-hearted lady
