Wheels keep turning Blind desires Core ambition Never tires

Got an engine Got intentions No dissensions Nothing to hide

Gotta' mission Street munitions

Any road block I believe And I believe And I believe And I believe I'll run it

You'll know i'll run it

Road side tyrants Revolution Speed is silent Absolution

Got reactions Got attractions Each infraction We're gonna' die

Got redemption Fools intentions

Any road block I believe And I believe And I believe And I believe I'll run it
