Walkin' Past you through the hall
Stoppin' by to give you a call
We've been through it all

Talkin' to you, Sayin' our goodbyes
Can't believe that we are leavin'
This is the end for us all

[Chorus]

And how do we say our goodbyes
Do we laugh or cry
And why does this have to be so hard
Yea Yea ohh
How do we say our goodbyes
Do we laugh or cry
And do I just say goodbye
Should I laugh or cry

Everything has just disappeared
I can't deal with it
I barely got to say goodbye

Best friends forever
That's what we used to say
Now everything is flying away

And how do we say our goodbyes
Do we laugh or cry
And why does it have to be so hard
Yea Yea Ohh (Why does it have to be)
How do we say our goodbyes
Do we laugh or cry
And do I just say goodbye
Should I laugh or cry

I just wish that everything was the same(the Same)
Now all our memories are floating away
Yea Yea Ohh

And how do we say our goodbyes
Do we laugh or cry
And why does this have to be so hard

(So Hard)
And how do we say our goodbyes
Do we laugh or cry
And do I just say goodbye
Should I laugh or cry
