Well everything can change tonight
We could pack up, and leave this whole town behind
There is no turning back
Tonight is all we have, yeah

These days go by so quickly
Feels like I'm losing my mind
And we are running out of time
These days never felt so lonely
I try but no one knows me
They all just think I'm crazy

Girl, tell me why we can't go now
Boy, why can't we just break out?

Well everything can change tonight
We could pack up, and leave this whole town behind
You are the key to my only way out
There's nothing more I care about
And nothing's gonna change my mind
I'll feel this way as long as I'm alive
There is no turning back
Tonight is all we have
So let's make this last

Don't bother saying goodbye
They don't need to know why
Cause we are running out of time
(We're running out of time)

I need you and no one else
Boy, I don't want you to go
I want you all to myself

Well everything can change tonight
We could pack up, and leave this whole town behind
You are the key to my only way out
There's nothing more I care about
And nothing's gonna change my mind
I'll feel this way as long as I'm alive
There is no turning back
Tonight is all we have

So let's make this last

If I'd have known,
Then I would trade everything
Just to be by your side
You should know,
that i would lose anything just
To be with you tonight

(Yeah) Well everything can change tonight
We could pack up, and leave this whole town behind
You are the key to my only way out
There's nothing more I care about
And nothing's gonna change my mind
I'll feel this way as long as I'm alive
There is no turning back
Tonight is all we have
Let's make this last

(oh oh oh, oh oh) tonight with you
(oh oh oh) tonight with you
