There's a long line waiting for me
I'm sure I'll find an easy path to see
I'm gonna run, shout and scream
'Cuz I am waiting for my dream
And I am waiting in this Hollywood scene, oh!

[Chorus:]

I'm gonna unlock the door
I'm gonna scream some more
I'm gonna make the night last forever
Nothing's gonna stop me at this point of time
I'm gonna sing some more 'til my lungs are sore
I'm gonna make this final, this dream is just a touch
away
You can't deny it nothin's gonna stop me now
It's not gonna be a dream...anymore

I promised myself that this would come true
I think I see a light comin' through
I have some advice, I have some clues
Watch out I'm comin' through
I am waiting in this Hollywood scene, oh!

[Chorus:]

I'm gonna unlock the door
I'm gonna scream some more
I'm gonna make the night last forever
Nothing's gonna stop me at this point of time
I'm gonna sing some more 'til my lungs are sore
I'm gonna make this final, this dream is just a touch
away
You can't deny it nothin's gonna stop me now
It's not gonna be a dream

[Bridge:]

There's no ifs, buts, or anywhos
Please make my dreams come true

[Chorus:]

I'm gonna unlock the door
I'm gonna scream some more
I'm gonna make the night last forever

Nothing's gonna stop me at this point of time
I'm gonna sing some more 'til my lungs are sore
I'm gonna make this final, this dream is just a touch
away
You can't deny it nothin's gonna stop me now
It's not gonna be a dream
