I know myself, I reached your skin,  
I kiss your lips, now let me in!  
You've made your bed, mistakes are good  
...did what I could!

Chorus:  
Something bad and something new  
Best of luck, April Fool  
It's a shady way to die  
But you find love, it makes you cry

The jokes are new, no turning back  
My people lay, your pancakes stack  
Listen live, now play my game,  
No coming right...

Chorus:  
Something bad and something new  
Best of luck, April Fool  
It's a shady way to die  
But you find love, it makes you cry  
Something bad and something new  
Best of luck, April Fool  
..it's not the end, it's just goodbye!

April Fool, the only fool  
Play your games, find them...  
I was just the...

Chorus:  
Something bad and something new  
Best of luck, April Fool  
It's a shady way to die  
But you find love, it makes you cry  
Something bad and something new  
Best of luck, April Fool  
..it's not the end, it's just goodbye!
