Seen it all before,
hooks they cause you..and fall reaching
landing at my door, unsuspecting some the hands I
heaze you
oh oh oh oh

Breaking down the door, corrupted pussycats
marking as they crawl not fooling anyone
scratching at my car the battery is the cracks
first just like a new bomb, while knowing all the bomb.

You love to be Mary, cues make this grown man cry cry
cry

Oh, falling through the cracks
so I hold up my key
the night surrender there's no contenders, ohh.

You love to be Mary, cues make this grown man cry cry
cry
you're the muse help the worlds carry
glue makes us multiply
that glue carries you and I

Is it any wonder you're not with my friends?
is it any wonder you're not with my friends?

Seen it all before,
any night at all
cruffin us a..
scratching at my car

You love to be Mary, cues make this grown man cry cry
cry
you're the muse help the worlds carry
glue makes us multiply
that glue carries you and I

Seen it all before,
scratching at my door.
