Poison Ivy make it clear as the mall at the bar speaking
to break
I'm at back on my rubbin she's a..she's been two as
the..page
they'll do..in the John as the face turned to stone
in the three just stuck home
you're a bird in the cage, cracking head in the..gonna..

Don't, don't don't whisper my name

Poison Ivy plan to take it all not even high pathological
poison ivy gonna make you fall not even high pathological
poison ivy plan to take it not not even high pathological

Poison Ivy make it clear as the mall at the bar speaking
to break
you're asleep by the will eyes been..to kill your..ham.

Don't, don't don't whisper my name

Poison Ivy plan to take it all not even high pathological
poison ivy gonna make you fall not even high pathological
poison ivy plan to take it not not even high pathological

Poison ivy gonna make you fall not even high pathological

You're not the only one, you're not the only one
you're just the lonely one, you're just the lonely one.

I'm stuck in the middle,
you're stuck in the middle.
I'm stuck in the middle,
you're stuck in the middle.
I'm stuck in the middle.

I'm stuck in the middle,
you're stuck in the middle.
I'm stuck in the middle,
you're stuck in the middle.
I'm stuck in the middle with you x 3

Poison Ivy plan to take it all not even high pathetic
poison ivy gonna make you fall not even high pathetic
poison ivy plan to take it not not even high pathetic

You're the only one, you're not the only one
Only one.
