MAMA SAID THAT THE VIDEOGAMES ARE BAD.  
MAMA SAID THAT THE VIDEOGAMES ARE BAD.  
PAPA DON'T LET ME PLAY AT VIDEOGAMES  
PAPA DON'T LET ME PLAY AT VIDEOGAMES

MAMA SAID THAT THE VIDEOGAMES ARE BAD.  
MAMA SAID THAT THE VIDEOGAMES ARE BAD.  
PAPA DON'T LET ME PLAY AT VIDEOGAMES  
PAPA DON'T LET ME PLAY AT VIDEOGAMES

Give me another chance  
To reach the final screen of

That game, let me try again  
I wish I could defeat the

Last of my opponents  
I'll fight with my remote control

Till I will achieve the goal  
And if it's necessary...

Let me go inside the game  
To fight him FACE to FACE

Let me go inside the game  
To fight him FACE to FACE

MAMA SAID THAT THE VIDEOGAMES ARE BAD.  
MAMA SAID THAT THE VIDEOGAMES ARE BAD.  
PAPA DON'T LET ME PLAY AT VIDEOGAMES

PAPA DON'T LET ME PLAY AT VIDEOGAMES

MAMA SAID THAT THE VIDEOGAMES ARE BAD.  
MAMA SAID THAT THE VIDEOGAMES ARE BAD.  
PAPA DON'T LET ME PLAY AT VIDEOGAMES  
PAPA DON'T LET ME PLAY AT VIDEOGAMES

And now I'm ready  
I got in the console

This is the last world  
And I just have one life.

I take my helmet  
I take my laser gun  
I use my password  
I wanna fight with you.

Arrows and lasers  
Lances and daggers  
Axes and weapons  
I think I stagger...

(I'm) Losing my power  
Finish(ing) my hours  
I wanna go out of here!

I LOST THE GAME!  
I CAN'T GO BACK!  
I LOST THE GAME!  
I CAN'T GO BACK!  
I LOST THE GAME!  
I CAN'T GO BACK!  
I LOST THE GAME!  
I CAN'T GO BACK!
