She never know me all the love I saw  
She never know me all the treat her soul  
she never know me all the sweet her soul  
she never know me oh I never let go girl

Pre chorus:

Girl...turn off the light oh  
well everything right me and you girl  
champagne and candle light  
and everything right me and you girl

Chorus:

She say she love me touch and she love it much  
the girl your body right me and you girl  
you are the only girl in the..  
..right..life me and you girl

Put ..and let love catch us  
I love your smile baby girl you're so get us  
one in the flash turn no one apart us  
and if you break up..us  
be confident no need to be conscious  
carry them .. that's what love taught us  
and ever make you feel a..  
she never ..once so prestigious

Girl ..no  
turn off the light oh  
well everything right me and you girl  
champagne and candle light  
and everything right me and you girl

Pre chorus:

..turn off the light oh  
well everything right me and you girl  
champagne and candle light  
and everything right me and you girl

Chorus:

She say she love me touch and she love it much  
the girl your body right me and you girl

you are the only girl in the..  
..right..life me and you girl

Her..on the chest and my eyes on the ceiling  
well I'm thinking about this I'm feeling  
baby girl you're..real real illing  
and if I see is from look so I'm milzin  
..and she tell me she no need em  
..for alein and she tell me..  
always in love and I'm..the meaning  
baby girl there is no more grieving

[Pre Chorus:]

[Chorus:]

Listen my heart beat and tell me what it say  
I come to make you a compliment your smile every day  
the..on my way and don't you delay, never sleep with..  
never sleep with faith  
so listen to me girl and hear what I say  
for you I pray for the each and every day  
..I love I love I love well you my baby

[Pre Chorus:]

[Chorus:]

She never know me all the love I saw  
She never know me all the treat her soul  
she never know me all the sweet her soul  
she never know me oh I never let go girl

[Pre Chorus:]
