Talking cheap is not way, Baby,  
What I say is the thruth.  
I would pay a million bucks to know,  
How to treat a princess just like you  
Every moment, every time, everywhere,  
I'm thinking of you.  
Every step, every move, every day,  
There's only you.

I'm writing all my verses just for you.  
Recording twenty albums just for you.  
Captured in a story do untrue,  
Lord, help me please,  
I don't know what to do.  
I'm writing all my verses just for you.  
Recording twenty albums just for you.  
Captured in a story do untrue,  
Lord, help me please,  
I don't know what to do.

Prepair yourself for the offer of love,  
Hey Cupid, why you choose me?  
I was a selfish singer once,

But know I found you.  
Every moment, every day, everywhere  
I'm thinking of you.  
Every step, every move, every day,  
There's only for you.

I'm writing all my verses just for you.  
Recording twenty albums just for you.  
Captured in a story do untrue,  
Lord, help me please,  
I don't know what to do.  
I'm writing all my verses just for you.  
Recording twenty albums just for you.  
Captured in a story do untrue,  
Lord, help me please,  
I don't know what to do.

Rap...

I'm hurt I'm done,  
I'm on my knees,  
Baby, I can't run  
Now I'm begging you  
To give me a chance  
To proof my love,  
To you don't let this story end.
