Waking up everyday just ain't the same  
I can't reach for you when you're so far away  
Dealing with this pain I got myself to blame  
I know I should stop thinking you're coming back this  
way  
If you could see lately the way I carry on  
With different chicks out every night from bar to bar  
You're probably thinking I've already moved on  
But right now I'm missing you hard

If you stayed wouldn't be acting this way  
Out here tryna fill your space  
Feel like our love was in vain, if you stayed  
If you stayed wouldn't be missing your face  
Hoping you're thinking about me  
Cos I know you can't be replaced  
I'd be OK, if you stayed

Tryna break the habit of making mistakes  
I'm dialing your number when it should be erased  
When I'm hating you now cuz I just got heartache  
Still when I try to lay down, see visions of your face  
If you could hear the thoughts that I carry around  
I used to feel my heartbeat now it's slowing down  
And I know you're thinking I'm just a fool  
Cos I don't wanna see you with another dude, girl

If you stayed wouldn't be acting this way  
Out here tryna fill your space  
Feel like our love was in vain, if you stayed  
If you stayed wouldn't be missing your face  
Hoping you're thinking about me  
Cos I know you can't be replaced  
I'd be OK, if you stayed

Come back to me, I have no pride  
You're all I need, I won't survive  
I can't deny, you made my life  
You took my heart away and you left me baby  
I don't understand, why can't we have another chance  
See you making plans to spend it with another man

Oh oh oh oh  
Oh oh oh oh

If you stayed wouldn't be acting this way  
Out here tryna fill your space  
Feel like our love was in vain, if you stayed  
If you stayed wouldn't be missing your face  
Hoping you're thinking about me  
Cos I know you can't be replaced  
I'd be OK, if you stayed  
Stay...
