I remember the night. We danced with rain.
It felt so cold. Till we cached that vibe.

The fire in your eyes, make me loose control.
My frozen heart was melting away.

Moments that we won't forget. Relight the flame of
love.
Moments that changed my life. Made me the man I am.

The Moments we shared.

Do you remember, the day at the beach?
Being more than a friend, making love in the sand.

The wind was playing the melody of love.
All heaven was singing our song of love.
My frozen heart was melting away.

Moments that we won't forget. Relight the flame of
love.
Moments that changed my life. Made me the man I am.

The Moments we shared.
