Last night I woke up,
My Body was embraced.
All night long by you it just felt wrong.
But I can't forget your eyes
Cuz they make me hypnotised.
And on the phone your voice let me feel again
You could never, oh never, or ever carry my pain.

Stop Â– Baby My Heart Â– Baby
Is not ready for you.

Stop Â– Baby My Heart Â– Baby
Is not prepared for you.

Sometimes I feel like
They stole my heart and grace,
Oh my way I see the end of all.
But I have not realized,
That you were my paradise and all alone
I thought you would be there,
But you could never, oh never, oh never be anywhere.
I wanna stay with you in another life,
It is not the time for you hold me tight.

Stop Â– Baby My Heart Â– Baby
Is not ready for you.

Stop Â– Baby My Heart Â– Baby
Is not prepared for you.
