Listen to me, children of the night  
Beyond the doors of darkness you will find  
A thousand worlds for you to see here  
Take my hand and follow me, ohh oh

Beyond the doors of the dark  
Demon in your heart  
Scream and thrash your head  
Turn around, now you're dead  
Under the darkened haze  
Lost here in glaze  
Are you looking to be free?

A never ending suicide  
Of nightmares you have inside, oh

Another day's begun  
Under the moon and sun  
Circle has been drawn  
Life has been prolonged  
Hell is eternity  
Hell is your destiny  
I'll tell you to die

A never ending suicide  
Of nightmares you have inside, yeah

Ohh, beyond the doors of the dark, yeah  
Beyond the doors of the dark, oh  
Oh yeah

It's time to meet your fate  
Heaven can wait  
All the walls are closing in  
Things crawl on your skin  
He's grabbing down at you  
There's nothing you can do  
No place to run and hide

A never ending suicide  
Of nightmares you have inside, oh

Ohh, ohh  
Ohh, ohh  
Ohh, ohh  
Ohh, ohh  
Ohh

Oh  
Ohh, ohh  
Ohh, ohh  
Ohh, ohh  
Ohh, ohh  
Oh yeah

He wants to take your soul  
You know you're dreaming  
Call your precious little life  
Under my knife  
Hell is eternity  
Hell is your destiny  
I'll tell you to die

A never ending suicide  
Of nightmares you have inside, oh

Ohh, beyond the doors of the dark, yeah  
Beyond the doors of the dark, oh yeah  
Beyond the doors of the dark, yeah, oh  
Oh, no no

Ohh
