I haven't thought about you for awhile
It seemed so far away
I keep your picture hidden in a file
Of favorite one act plays

The pieces of myself
Cut off in desperation as offerings to thee, yeah
I keep them on a shelf
They're good for conversation over a cup of tea
Yeah, cup of tea

I put it all down in a letter once
A letter, I don't send
It made me feel much better at the time
I thought it'd help me mend

The pieces of myself
Cut off in desperation as offerings to thee, yeah
I keep them on a shelf
They're good for conversation over a cup of tea
Yeah, cup of tea

Like pieces of myself
Cut off in desperation as offerings to thee, yeah
I keep them on a shelf
They're good for conversation over a cup of tea
Yeah, cup of tea

Ooh, cup of tea
