I remember finding out about you
Every day my mind is all around you
Looking out of my lonely room
Day after day
Bring it home, baby make it soon
I give my love to you

I remember holding you while you sleep
Everyday I feel the tears that you'd weep
Looking out from my lonely gloom
Day after day
Bring it home, baby make it soon
I give my love to you

Looking out of my lonely room
Day after day
Bring it home, baby make it soon
I give my love to you

I remember finding out about you
Everyday my mind is all around you
Looking out of my lonely room
Day after day
Bring it home, baby make it soon
I give my love to you

Day after day Day after day Day after day
